Each year, more than 1 million Americans aged 55 and older stop driving and become dependent on others. Some will have difficulty meeting their transportation needs and no single solution will work for all people.

Riders Club of America keeps mobile seniors independent by allowing them to schedule rides as needed without feeling like a burden to family and friends. Our goal is to be an efficient, affordable and sustainable solution in the Cedar Rapids area.

Become a Rider

- **Freedom**. Get where you need to go when you need to get there.
- Independence. You won't need to bother friends and family to get a ride.
- **Savings**. Often we cost less than the monthly cost of insurance. Our Business Partners will share the price of your ride when you use their services.
- Service. You don't have to drive. It is like having your own chauffeur.
- Convenience. We come to your door, so you can wait in the comfort of your own home.
- Security. For peace of mind, we do background checks on all drivers and riders.
- **Support**. If you need help, caregivers can travel at no additional cost.
